Mike and Deb

As promised, here's more detailed logistics info for week-2. I've also included the FINAL schedule for the entire 2 week Corp Residency (attached PDF).

Here's the overall week-2 plan, week of 4/4 thru 4/6:

1. Weekend/Sunday – arrive into Elizabeth City, NC area – recommended hotel is:

Fair Field Inn and Suites

1640 City Center Blvd
Elizabeth City, NC 27909
(252) 333-1003

2. Monday morning – on-site @ USCG Aviation Logistics Center, 0900 - 1400. It's about 5 minutes from the hotel to the base -- plan on car-pooling, I'll drive.
3. Monday afternoon – make tracks for SubZero-Wolff in Madison, WI. SubZero visit is Wednesday morning, so we have Monday afternoon and all day Tuesday to make it there. Based on the location of the facility in the suburb of Fitchburg, I have booked my room here:

Sheraton Madison

706 John Nolen Dr
Madison, WI 53713
(608) 251-2300

4. Wednesday morning – on-site @ SubZero-Wolff, 0900 - 1400. We can coordinate/combine transport to the facility and the airport as needed.
5. Wednesday afternoon – 2011 DAELP SAS Corporate Residency & site-visits completed, you're free to go!

Please let me know if you need more information. If it would be helpful, I'm happy to get on a conf-call to discuss anything – just say the word!

All sessions Monday thru Thursday will be in Building T, Room 3086 – see attached maps.

The Umstead – This hotel is actually located on-campus and you are welcome to stay here!
